- Integrated Library System - a library for students, faculty, and staff.
- Integrated Campus Network System - a network for all students, faculty, and staff.
- Integrated Campus Network System - a network for all students, faculty, and staff.
- Integrated Advanced Library System - a network for all students, faculty, and staff.

Most Advanced Colleges and Departments

3. Advanced Technology and Engineering - Integrated Advanced Laboratory in Taiwan.

Strong Commitment to Teaching

1. Best Scholarship Candidate - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
2. Best Scholarship Candidate - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
3. Best Scholarship Candidate - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.

Student Needs Priority

1. Best Student Services - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
2. Best Student Services - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
3. Best Student Services - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.

Most Outstanding Alumni

1. Best in Taiwan - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
2. Best in Taiwan - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
3. Best in Taiwan - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.

Environmental Sustainability

1. Best Sustainable Campus - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
2. Best Sustainable Campus - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
3. Best Sustainable Campus - National Taiwan University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System, Taiwan web-based University System.
